

HarmonicDrive®

FHA IP65 480V Rotary Actuator

Harmonic Drive® FHA series actuators are now available with IP65 rating and with an additional voltage option of 480VAC.

New! FHA-C Series servo actuators are now available with IP65 protection. Four sizes are available: 17, 25, 32 and 40. The IP65 rated FHA-C actuator is ideal for harsh environments. With IP65 and 480V, the FHA actuator is well suited for machine tool, packaging, and wash-down applications.

These rotary servo actuators utilize Harmonic Drive® precision gears combined with a performance matched brushless servo motor. Encoder options now include EnDat® & HIPERFACE®. The FHA has a low-profile form factor and features a hollow-output shaft. This hollow shaft feature may be used to pass cables, tubing or lasers through the axis of rotation.

The FHA series is designed to operate with a wide range of third-party servo drives including Bosch, Mitsubishi, Siemens, and Kollmorgen.

Features

- IP65 Rating
- 480VAC*
- EnDat® & HIPERFACE® Encoder Protocols
- DESINA style flex rated cables

* Contact us for additional voltage options.

Note: All values are T.I.R. (Total Indicator Reading).

Positioning Accuracy

One-Way Positioning Accuracy

The one-way positioning accuracy is defined as the maximum positional difference between the commanded position and the actual stop position when a series of positioning moves are performed in the same rotation direction. (Refer to JIS B-6201-1987).

The FHA-C actuator incorporates a Harmonic Drive gear which inherently has high rotational position accuracy. Because of the gearing's high ratio, any rotational error at the input (i.e. motor shaft position error or motor feedback error) is reduced by a factor of the ratio (1/ratio) and typically becomes negligible at the output. Therefore most of the error is represented by the transmission error of the Harmonic Drive gear itself.

The one-way positioning accuracy is shown in the table below:

Unit: arc-sec

Ratio \ Model	FHA-17C	FHA-25C	FHA-32C	FHA-40C
50:1	60	40	40	40
100:1, 160:1	40	30	30	30
